Delivering Customer Service Excellence

Sunwest Aviation operates over 15 acres of aviation space from our headquarters in Calgary. Our facilities are purpose built and equipped to provide the full range of FBO Services.

- In addition to four heated hangars (28,000 ft² each) we offer one of the largest ramps in Calgary.
- Our terminal is designed to efficiently and discreetly cater to both large and small passenger groups.
- Our world-class facilities handle everything from small turboprops to large airliners (Boeing 737).
- Dedicated pilot lounge, flight planning office, & rest areas.
- The official Shell AeroCentre™ at the Calgary International Airport, providing Shell Jet A-1 fuel.
- Visitors enjoy our modern lounges, boardrooms, and rest areas. Executive flights have access to the Sunwest Avro Lounge for increased privacy.
- On site Canada Customs Office for discrete expedited service (CANPASS).
- We offer additional aviation services including aircraft maintenance, grooming, and charter.

Your next trip to Calgary deserves to be met with the hospitality, customer service, experience, and professional environment that only Sunwest Aviation can offer.
