TAKAHASHI Sugio

2 F Oct.18(Fri.) 11:00~12:00 **N1** 102 **J E**

NEDO's support for space industrial technology development

- Space Industries Policy (Working Title)**
Space Industry Division, Manufacturing Industries Bureau, METI
Speaker TBC
- NEDO's support for space industrial technology development**
Director, Aerospace Department, NEDO
SUZUNAI Katsunori

2 F Oct.18(Fri.) 13:00~14:55 **N2** 102 **J E**

GX activities in the aircraft industry

- Aviation Industry Policy (Working Title)**
Aerospace and Defense Industry Division, Manufacturing Industries Bureau, METI
Speaker TBC
- NEDO's activities and future vision on SAF production technology development**
Director, Biomass Unit, Renewable Energy Department, NEDO
YANO Takahisa
- NEDO's industrial support for facilitating aircraft electrification**
Project Coordinator, Aerospace Department, NEDO
MATSUKI Hideo
- NEDO's support for hydrogen aircraft development**
Project Coordinator, Aerospace Department, NEDO
SATO Hiroyuki

2 F Oct.18(Fri.) 13:00~14:20 **T1** 607/608 **J E**

Toward Realization of Advanced Air Mobility (UAS/drone, eVTOL)

- Director, Aerospace Department, NEDO**
ANJO Tetsuya

6 F Oct.18(Fri.) 13:00~14:20 **T1** 607/608 **J E**

Challenges for the future aircraft technologies

- Innovative Technology Research on Hydrogen Aircraft for the Carbon Neutral Society**
Senior Expert, Hydrogen Aircraft Technology, Aerospace Systems Company, Kawasaki Heavy Industries
KINOSHITA Yasuhiro
- SUBARU Aerospace Company's future technology initiatives**
General Manager, Aerospace Engineering Development Department, Aerospace Company, SUBARU
YAMANE Akihiro

2 F Oct.17(Thu.) 10:30~13:10 **CMC-1** 703 **J E**

International CMC Symposium Tokyo University of Technology CMC Center

- METI's Updated Policy for the Aircraft Industry**
Deputy Director, Aerospace and Defense Industry Division, Manufacturing Industries Bureau, METI
AOTA Wataru
- Aircraft Engine Development and CMC (Working Title)**
Director General of the Defense Acquisition Agency (Aviation Equipment), ATLA
OYOBÉ Tomonori
- International Trends in Academic Contributions to the Industrial Development of Ceramic Matrix Composite Components for Aero Engines**
President of Tokyo University of Technology
KAGAWA Yutaka
- Trend in Composite Material / CMC Application to Aero Engines**
Engineering Manager, Mitsubishi Heavy Industries Aero Engines
TAMUGI Azusa
- SIC/SIC Ceramic Matrix Composites for High Temperature Applications**
Safran Ceramics Sébastien DENNEULIN

1 F Oct.17(Thu.) 14:00~16:00 **SC-1** 102 **J E**

Aircraft Supply Chain Seminar Ministry of Economy, Trade and Industry (METI)

- Supply Chain Strengthening based on "Strategy of Aircraft Industry"**
Director, Aerospace and Defense Industry division, Manufacturing Industries Bureau, METI
KUREMURA Masuo
- Technology introduction session by small and mid-sized suppliers**

Oct.18(Fri.) 13:00~16:25 JAXA-1 Reception Hall A **J E**

JAXA Aviation Symposium 2024 JAXA

Program The symposium introduces JAXA's research and development efforts in the field of aviation. Inviting guest speakers from NASA and Boeing, the first half of the program will focus on supersonic transport technology.
